## Action Taken Report, 2023-2024

Based on the recommendations provided, the following actions have been taken for the enrichment of the curriculum and the college as a whole.

1. We have already undertaken FYUGP under NEP. Decisions have been taken to include more learner centric subjects in the under graduate (UG) programme with a view to meeting the present day challenges and essential needs of the students.
2. Remedial Classes have been arranged to advance the slow learners.
3. Decisions have been taken to purchase required texts and reference books. The librarian is advised to take steps thereof.
4. Planned to increase IT infrastructure for teaching-learning and for the same apply to various funding agencies like ONGC, NGO's and Government Agencies.
